To Whom It May Concern,

My name is Kelly Bennett and I am currently the Coordinator of Youth Ministry for Precious Blood Catholic Church in Culpeper, Virginia. This past year, I had the pleasure of co-teaching our high school students with Steve Hemler. We implemented his "Faith and the Big Questions" program and I was very pleased with its content.

Steve has a wonderful grasp of Catholic doctrine and of the issues and challenges that teens and young adults are facing in their daily lives. The material in this program is relevant and essential in this era of moral relativism.

I highly recommend this apologetics program to anyone who is trying to meet teens where they are in their faith, and I encourage those who are familiar with this program to spread the word to other parishes and schools. This program has "God's fingerprints" all over it and I pray that this valuable tool will reach many needy souls.

Sincerely in Christ,

Kelly Bennett  
Coordinator of Youth Ministry
