To Whom It May Concern:

My name is Terri Miller the Parish Ministry Coordinator for St. Timothy Parish in Chantilly, VA. We have been privileged on multiple occasions to have Steve Hemler, the founding president of CAINA to give teachings focused on the information into an apologetics series that touches the heart of human condition, and distills our thirst for truth and love. Mr. Hemler is committed to his Ministry of educational truth of the Catholic Church's teaching. In his talks he also shows how vital it is that we know how to explain and defend our faith in our call to be disciples of the Lord. He clearly and effectively conveys concepts in a way that makes them digestible giving examples and metaphors that help the audience remember and explain the concepts to others.

I can attest to the fact that it can be difficult to find topics that interest parishioners across the board. Mr. Hemler's presentations are clearly and authentically presented Catholic teaching on the issues covered in not threatening manner.

Mr. Hemler has presented the following talks at St. Timothy:

May 31, 2015: *Compelling Evidence of God's Existence*,

June 7, 2015: *Which is True: Creation, Evolution, or Both?*,

October 18, 2015: *Why Would a Loving God Allow Evil, Pain, and Suffering?*

November 15, 2015: *Islam and Christianity: What We Learned While Living 13 Years in Saudi Arabia.*

I would recommend Mr. Hemler to speak to your parish adults as well as teens. St. Timothy is blessed that he has shared his CAINA ministry with us and look forward to having Mr. Hemler back for additional programs and presentations in the future.

Sincerely,

Terri Miller
