Re: Steve Hemler
CAINA presentations

To Whom It May Concern:

Steve Hemler has developed a series of dynamic, multimedia presentations regarding spiritual questions which we all address in presenting our faith. He has done several of these at St. Dominic Catholic Church:

Nov. 17, 2014	Islam and Christianity: 13 years in Saudi Arabia
Nov. 18, 2014	Compelling Evidence of God's Existence
Nov. 19, 2014	Which is True: Creation, Evolution or Both?
Dec. 3, 2015	Why would a loving God allow evil, pain and suffering?

All presentations were lively, varied in content and cohesive. Not only were they well attended but he was successful in sparking lively discussions with each. His many years of teaching our faith to all ages has prepared him well to handle a variety of related discussions. All the content was well within our Catholic tradition.

We would readily recommend these CAINA presentations to anyone within an inquiring mind, wishing to deepen their faith.

Yours in Christ,
