Dear Mr. Hemler, *Steve*

Please accept my heartfelt thanks for the excellent series of presentations you made at St. Michael the Archangel Catholic High School earlier this year as well as those in years past. You well thought out multimedia presentations of our Catholic faith and teaching inform and engage students in ways that ensure understanding and retention without being boring or dull. Educators and pastors are offered a wide range of presentation topics from which to choose based upon current or emerging needs or issues which are easily accessed on your website. You are providing a most useful resource to schools and parishes and I am sincerely thankful to you for your willingness to help St. Michael's communicate the "faith once delivered to the saints" to the young men and women entrusted to us for a solid Catholic education!

May God continue to bless you and your ministry! Faithfully,

Peter J. Reynierse
